

Beyond the waterfront

The Port's Community Partnerships

SeaFest 2006

The 2006 Long Beach Sea Festival (SeaFest), with events attended by more than 80,000 people, made Long Beach the place to be this summer. The Port of Long Beach was proud to be an official sponsor of the SeaFest events, which included sand castle contests (below), Long Beach Municipal Band Concerts (Port booth, lower left), July 4 fireworks (middle right) and the colorful Tiki Festival (upper right and lower right).
