

Centennial Harbor Tour Reservations Open Monday Get out on the water to see the Port on a free excursion

April 1, 2011

Come celebrate the Port's Centennial year by joining us on a free tour of the harbor by boat. Reservations start 8 a.m. Monday, April 4, for the first set of tours. To make a reservation, go to www.polb.com/porttours or call (562) 590-4121.

Get out on the water to see international trade in action at the Port of Long Beach, one of the world's busiest seaports. This season's tours will also highlight some of the history of the Port's first 100 years. Tours will be offered May through September.

Online reservations open up at 8 a.m. on the first working Monday of each month for tours the following month. So on April 4, at 8 a.m., reservations will be available for the May cruises. Seating is limited and spaces go fast, so reserve early.

Sign up to take the 90-minute cruise through the working Port and see the people and machines moving goods through the harbor.
